

## DISPOSAL CABINET

The Disposal Cabinet complements the glove dispensers. Cabinet features waste throw openings, doors and leveling feet. This unit is designed to fit below either: 2 x GD8540 or 1 x GD8060 to provide a complete dispensing / disposal system. Cabinet contains two large plastic bins.

| Product                                 | LxWxH (mm)  | LxWxH ( " ) | Cat. No.         |
|---|-------------|-------------|------------------|
| Disposal Cabinet                        | 800x430x900 | 32x17x36    | <b>GDC-8040</b>  |
| Frame - connecting Dispenser to Cabinet | 800x30x1600 | 32x1.1x63   | <b>GDC-FRAME</b> |

## DISPOSAL CABINET FRAME

This frame allows you to install the dispensers above the cabinets with no need to connect them to the wall. Creates a free-stand dispenser and cabinet unit. Fabrication material: 304 stainless steel, electropolished.
