

Fabrication materials: Stainless Steel 304L with electro-polished finish

General Warning !
 Step Stools can be dangerous items if not used correctly.
 Palbam takes no responsibility if step stools used incorrectly.
 Customer must approve design and dimensions.

Always use the right type of step stool for the job.
 Always check that your step stool is in good working condition prior to use.
 Never over-reach: keep your body centered on the step stool at all times.
 Never have more than one person on a step stool at one time.
 Don't overload the step stool; remember that the maximum load (150kg) includes any equipment that you need to have with you.
